# WHY WORK WITH US?

We operate with honesty and integrity, we value long-term relationships whether you're a small roaster, exporter, or café owner, we can tailor supply arrangements.

**Premium Quality from the Source**

**Trusted and Transparent**

**Sustainable and Community-Focused**

**Flexible Partnerships**

**Consistent Quality Control**

We work closely with local farmers, supporting sustainable farming methods and empowering rural communities through fair trade and skill development.

Every batch of Mbinga Golden Coffee passes through strict quality checks, from farm to export, ensuring a consistent taste profile and reliable delivery

# **MBINGA GOLDEN** **COFFEE LTD**

Mbinga Golden Coffee Ltd is a Tanzanian company specializing in the supply and export of high-quality Arabica coffee produced by smallholder farmers in the highlands of Mbinga District, Ruvuma Region, Southern Tanzania. We work directly with organized farmer groups and cooperatives.

## **Our Mission**

To produce and supply high-quality, ethically grown coffee through sustainable farming practices, fair partnerships, and innovation — empowering local farmers, satisfying global markets, and promoting Tanzania’s coffee excellence..

## **Our Vision**

To become Africa’s leading source of premium, sustainable Arabica coffee — enriching lives from farm to cup while showcasing the golden taste of Mbinga Arabica coffee to the world.

## **Core Values**

1. Quality
2. Integrity
3. Sustainability
4. Community Empowerment
5. Innovation

- **Our Objectives**

To position Mbinga Golden Coffee as a trusted brand representing Tanzania's finest Arabica coffee in both local and international markets .

- **Support Local Farmer**

To empower smallholder farmers through fair trade practices, training, and access to better farming technologies.

- **Ensure Quality and**

**Consistency** To maintain strict quality control from harvesting to export, ensuring every batch meets international standards.
